

ambius

Zoie planter

designed by Helen Kontouris for Ambius

The world of indoor planters is being taken to a new level with 'Zoie', the latest creation from reigning IDEA Designer of the Year, Helen Kontouris. Named after the Greek word for "living thing", Zoie is exclusively available through Ambius.

Features:

- *Fully recyclable pot available in three different sizes (small desktop, medium and large) with a two leg version referred to as 'Zoie – Sophia' and a three leg version named 'Zoie – Anouk'.*
- *Two tone colour scheme – one colour on the inside, the other on the outside.*
- *The medium and large planters are moulded with sub-irrigation ability*
- *Made from polyethylene, the planter is free of VOCs (Volatile Organic Compounds) which means the product does not emit gases often associated with new products and makes it much more green friendly.*
